Workshop Preferences

The computer hands-on workshops are limited to 42 delegates. To ensure all delegates have an opportunity to attend a hands-on workshop, please choose only one hands-on workshop from the 8 on offer. There will be an opportunity onsite to attend additional workshops should there be any available spaces. These will be allocated on a first come first served basis.

Monday 2nd October (Morning)
HS 1 - Multimodality imaging of the breast
HS 2 - Multiparametric imaging of the prostate

Monday 2nd October (Afternoon)
HS 3 - MRI of ovarian masses
HS 4 - Hepatic lesions

Tuesday 3rd October (Morning)
HS 5 - Pancreatic tumours
HS 6 - Lung cancer staging: 8th edition update

Tuesday 3rd October (Afternoon)
HS 7 - Uterine cancer
HS 8 - Whole body MRI

The live-case workshops are limited to 8 delegates per group. As the workshops run in parallel in the morning on Wednesday 4th October, only 1 live-case workshop can be attended per delegate. Please tick one chosen live-case workshop.

Meeting point for transport to the hospital at 8.30am in front of main entrance of Langenbeck-Virchow Haus. Delegates will be taken back to Langenbeck-Virchow Haus for the lunchtime break.

Meeting point for transport to the hospital at 8.30am in front of main entrance of Langenbeck-Virchow Haus. Delegates will be taken back to Langenbeck-Virchow Haus for the lunchtime break.

Please note that an additional fee of €90 is required for registration for a live-case workshop.

International Cancer Imaging Society

The Society was established in order to meet the important challenges of advancing imaging in the multidisciplinary management of cancer by promoting education in oncological imaging and stimulating research in the study of tumour behaviour.

The Society aims to bring together radiologists, nuclear medicine physicians and other specialists with an interest in oncological imaging for the exchange of ideas and to organise scientific meetings, multicentre research studies, and postgraduate courses within the field.

For further information please visit the Society website:
icimagingsociety.org.uk

About the Course

The 17th annual course of our Society will focus on practically orientated education of cancer imaging through interactive teaching and the fostering of active learning. State of the art and novel quantitative and functional imaging techniques will be highlighted.

Keynote lectures highlight the challenges of precision medicine and the role of imaging in patients undergoing immunotherapy.

Individual learning is emphasised by small group sessions, interactive workshops and computer based hands-on workshops fostering active participation.

A unique feature this year are the live-case workshops in interventional oncology. Delegates will view oncologic interventional therapies such as transarterial chemoembolization (TACE), radioembolization (SIRT), percutaneous microwave ablation (MWA) and radiofrequency ablation (RFA) in small groups in Berlin hospitals on Wednesday 4th October. Transport from the conference venue will present interesting oncologic cases reviewed with the benefit of hindsight.

A session entitled “cases we would like to read again” will present interesting oncologic cases reviewed with the benefit of hindsight.

There will be scientific sessions, dedicated to proffered papers, presenting research in the field of imaging in oncology. There will also be a poster exhibition and the best overall paper and poster will be awarded a prize.

This course is designed for all radiologists, radiation oncologists, medical oncologists and other specialists interested in the diagnosis and management of cancer patients.

The meeting will be held in the Langenbeck-Virchow Haus, Berlin, Germany.

Berlin is one of Europe’s most vibrant capital cities, steeped in history and easily explored on foot, or by using the excellent public transport. It’s the perfect destination to spend a few days exploring in early autumn. From the Reichstag to the majestic Brandenburg Gate, with myriad museums and a thriving art scene, as well as world class restaurants.

There will be a welcome drinks reception on Monday 2nd October, free for all those who attend the first day of our meeting.

The course party will be held on Tuesday 3rd October on the barge “Alexander von Humboldt”, which will take us past many of Berlin’s most iconic sights, while we enjoy a delicious buffet dinner, live saxophone player and DJ.

Registration and Information

| Registration Fees | Members | Includes coffee/tea and lunch each day and reception drinks on Monday | 3 days | €630 |
| | | | 2 days | €480 |
| | | | 1 day | €250 |
| | Non-members | Includes coffee/tea and lunch each day and reception drinks on Monday | 3 days | €690 |
| | | | 2 days | €550 |
| | | | 1 day | €290 |
| | Trainees/ | Includes coffee/tea and lunch each day and reception drinks on Monday | 3 days | €490 |
| | resident | | 2 days | €360 |
| | | | 1 day | €210 |
| | Scientific/Poster presenter | Includes coffee/tea and lunch each day and reception drinks on Monday | 3 days | €420 |
| | | | 2 days | €280 |
| | | | 1 day | €140 |
| | Live Case Workshop | Includes transport between the hospital and the conference venue | | €90 |
| | Course party | | | €65 |

How to register:

Online: icimagingsociety.org.uk
Post: ICIS Secretariat, 41 Waddington Way, London SE19 3UB

Please complete both sides of the registration form and workshop preferences, and enclose with full payment. Registration cannot be confirmed until full payment has been received into the ICIS bank account. Full payment must be received by 8th September 2017.

Payment options By Bank Transfer (BACS) to ICIS account
Account Name: International Cancer Imaging Society (ICIS)
Account No: 83157599
Sort Code: 20-69-15
IBAN: GB73 BARC 2069 1583 1575 99
SWIFT: BARCGB22

Reservations will only be confirmed on receipt of fully completed registration form & full payment.

**Call for papers/posters**
Submission of abstracts (no more than 250 words) for scientific papers and posters are invited.

**Submission is via the ICIS website:** icimagingsociety.org.uk
Queries may be addressed to the ICIS Secretariat
Email: admin@icimagingsociety.org.uk
Submission deadline: Monday 29th May 2017

Abstracts selected for presentation will be published in the Proceedings of
the 17th International Cancer Imaging Society meeting, given to all delegates and faculty. A downloadable version of your submission will be made available to our membership on the members only area of our website. Authors of selected abstracts will be notified after Friday 30th June 2017. It will be obligatory for all scientific presenters to be members of ICIS at the time of presentation in Berlin. The annual membership fee of €95 will be added to the scientific presenters’ fee at registration if current membership is not in place. Membership will run for one year from date of registration; all standard member benefits will apply.

**Accreditation**
- For German delegates CME credits have been applied for.
- Royal College of Radiologists – delegates will receive 17 points in total for the three-day course. Monday 6 points, Tuesday 6 points, Wednesday 5 points.
- European Accreditation Council for Continuing Medical Education (EACCME) accreditation has been applied for. You will be able to generate your own certificate of attendance once you have completed our daily online feedback form.

**Important Information**
Reservations are subject to availability and will only be confirmed within one week of receipt of the fully completed registration form and full payment. A confirmation letter and further details will be issued on receipt of full payment.

**Refunds**
Refunds (minus an administration charge of €80) will only be made if written notification is received by 8th September 2017. Thereafter no refunds will be made.

**Travel information**
Air: Berlin is served by two airports - Tegel International (TXL) is the city’s principal airport serving the major carriers, whilst Schoenefeld (SXF) is the secondary airport serving low-cost airlines. Both airports are well linked to the city centre via bus or train. Please see the ICIS 2017 meeting pages on our website for more details.
Rail: Berlin is served by ICE, Intercity, and EuroCity trains, and by the national German train network Deutsche Bahn. Together they offer connections from other German and major European cities.

**Accommodation**
Details of accommodation offering special rates for ICIS delegates are available on the ICIS website. Delegates are responsible for making their own arrangements for accommodation and should book via the given web link. We strongly recommend you book early to secure the best rates.

**Society Journal**
Cancer Imaging is our open access, peer reviewed journal with original articles as well as reviews and editorials. For full information about the journal, article submission and to read published articles, visit cancerimagingjournal.com

**Socials**
A complimentary Welcome Reception will take place on Monday, 2nd October in the historic foyer and gallery of Langenbeck Virchow Haus. The Reception will take place after the last lecture.

We hope you will join us on Tuesday, 3rd October for a cruise on the barge “Alexander von Humboldt” which will take us along the River Spree, past many of Berlin’s main attractions, while we enjoy a delicious buffet dinner.

Purchase your ticket while registering for the course on the ICIS website. Each ticket costs €85 and includes a three course dinner, a glass of sparkling wine, a half a bottle of wine and teas and coffees, a live saxophone player and DJ. During the cruise we will award prizes to our best posters and presenters. We hope to see you there!

**Short Overview**
Venue
Langenbeck-Virchow Haus, Luisenstraße 58, 10117, Berlin, Germany

Date
Monday 2nd – Wednesday 4th October 2017

2 Keynote lectures
- Cancer imaging in the era of precision medicine
- Immunotherapy : imaging redefined

11 Main sessions
- Structured reporting and decision support
- Precision medicine
- Prostate: when to treat
- Lung cancer update
- Response assessment
- Radiogenomics in female cancer
- ICIS Gold Medal presentation
- Liver: how to image
- Side effects of medical therapy
- How to diagnose focal liver lesions
- Pancreatic tumours
- Cases I would like to read again

14 Break-out sessions
- Head and neck
- Delineation of tumour and normal tissue. In association with DEGRO
- Interventions: percutaneous and intraoperative
- Side effects of radiation therapy. In association with DEGRO
- Interventions: percutaneous
- Side effects of radiation therapy. In association with ESTRO
- Assessing therapy response. In association with DEGRO
- Interventions: percutaneous
- Interventions: vascular
- Female pelvis
- Malignant lymphoma
- Metastatic disease
- Paediatric tumours
- Kidney and adrenal
- Contrast-enhanced ultrasound

**ICIS Membership - Renew or join us now!**
Membership includes:
1. Discounted registration fees for the Annual Teaching Course & ICIS Masterclass Workshops
2. Access to posters & selected lectures presented at the 2015 & 2016 Annual Teaching Courses
3. Members’ Forum providing a platform for you to discuss hot topics in oncological radiology or interesting cases, with other ICIS members and with the ICIS Fellowship
4. 20% discount on article-processing fees for our journal Cancer Imaging
5. 20% discount on CRC Press radiology and oncology publications
6. Emailed regular newsletters featuring the latest news from the Society and journal
7. Priority registration for ICIS Masterclass Workshops

Membership is open to all individuals with an interest in cancer imaging for only €95 a year. Just tick the box on the registration and payment form, and include the fee of €95 with your payment. You will make an immediate saving of €58 on the annual course, attend an ICIS workshop and you will save a further €57.
Monday 2nd October 2017

08:45 - 09:00 Welcome and Presidential Address
Stefan Diederich

09:00 - 10:00 Structured Reporting and Decision Support
Andrea Rockall

09:00 - 09:30 PI-RADS: update 2017
Jelie Barentsz

09:30 - 10:00 LI-RADS: update 2017
Jay Heiken

10:00 - 10:30 Met-RADS
Anwar Padhani

10:00 - 10:30 Hands-on-Workshop 1
HS1 Multidimensional Imaging of the Breast
Sarah Vminnicco & Alexandra Ahanasius

10:30 - 11:00 Hands-on-Workshop 2
HS2 Multidimensional Imaging of the Prostate
Heinz-Peter Schlemmer & Harriet Thoeny

11:00 - 12:00 Joint with DEGRO: Delineation of Tumour and Normal Tissue
Ernst Rummenny & Stephanie Combs

11:00 - 11:30 Dose concepts in radiation therapy
Stephanie Combs

11:30 - 12:00 Imaging following stereotactic radiotherapy in the liver
Luigi Grazioi

12:00 - 12:30 Imaging interaction the treatment process pelvic
Andrea Rockall

12:30 - 14:00 Lunch

12:30 - 13:00 Scientific Session 1 & 2

13:00 - 14:00 Lunch Symposium 1

13:00 - 14:00 Lunch Symposium 2

14:00 - 14:30 Keynote Lecture 1
Beth McCarville
Cancer Imaging in the era of precision medicine
Annick D Van den Abbeele

14:30 - 15:00 Early detection of significant cancer – how good is mpMRI?
Jelie Barentsz

14:30 - 15:00 MRI in active surveillance of prostate cancer
Jürgen Futterer

14:00 - 15:00 Hands-on-Workshop 3
HS3 MRI of Ovarian Masses
Andrea Rockall & Rosemarie Forstner

14:00 - 15:30 Interventions: Percutaneous and Intraoperative
Ernst Rummenny

14:00 - 14:30 Image-guided thermalablation of liver tumours
Bernhard Gebauer

14:30 - 15:00 Irreversible electroporation in locally advanced pancreatic cancer
Daniel Buchs

15:00 - 15:30 Response assessment of thermalablation in liver and pancreas
Mirok D’Onofrio

15:30 - 16:00 Refreshment Break

16:15 - 17:15 Lunch Symposium 3

16:15 - 16:45 Dose and toxicity of a new generation of PET agents
Khaled Elsayes

16:45 - 17:15 Tissue dosimetry during treatment
Hersh Chandarana

17:30 - 17:30 Q&A

17:30 - 19:00 Welcome Reception in foyer

Tuesday 3rd October 2017

08:00 - 08:30 Breakfast Symposium 1

08:00 - 08:30 Breakfast Symposium 2

09:00 - 10:30 Response Assessment
Conor Collins

09:00 - 09:30 RECIST – the concept and the challenges
Aslam Sohaib

09:30 - 10:00 Resisting RECIST – new methods of assessing tumour response
Richard Core

10:00 - 10:30 Whole-body imaging for response assessment
Giuseppe Petralia

10:00 - 10:30 Hands-on-Workshop 8
HS8 Whole Body MRI
Giuseppe Petralia & Anwar Padhani

10:30 - 11:00 Refreshment Break

11:00 - 11:30 Joint with ESTRO: MR-Guided Radiation Therapy
Stefan Diederich & Daniel Zips

11:00 - 11:30 CT-guided high-dose brachytherapy
Dirk Schnapauff

11:30 - 12:00 Interventional radiology in paediatric oncology
Derek Roebuck

12:00 - 12:30 Side Effects of Medical Therapy
Rosemarie Forstner

Wednesday 4th October 2017

08:30 - 09:00 Breakfast Symposium 3

08:30 - 09:00 Breakfast Symposium 4

09:00 - 10:30 How to Diagnose Focal Liver Lesions
Wolfgang Schima

09:00 - 09:31 Practical approach to diagnosis of focal hepatic lesions
Khaled Elsayes

09:25 - 09:52 Rare and unusual liver tumours
Giovanni Morana

09:52 - 10:25 How to deal with liver incidentalomas
Jay Heiken

10:25 - 10:52 MRI of cholangiocarcinoma
Karlik Javey

10:52 - 11:20 Q&A

11:20 - 11:50 Prostate: When to Treat
Wim Oyen

11:50 - 12:15 MRI in nasopharyngeal carcinoma
Ann King

12:15 - 12:30 Structured Reporting and Decision Support
Andrea Rockall

12:30 - 13:00 Scientific Session 3 & 4

12:30 - 13:00  Hands-on-Workshop 6

11.00 - 11.30 Joint with DEGRO: Assessing Therapy Response
Lydia Koi & Harriet Thoeny

11:00 - 12.30 Paediatric Tumours
Beth McCarville

11:00 - 11:20 MRI of pancreatic tumours
Gabriele Masselli

11:20 - 11:40 Incidental pancreatic cysts – what we know and what we don’t know
Richard Core

11:40 - 12:00 Neuroendocrine pancreatic tumours
Isaac Francis

12:00 - 12:20 Q&A

11:00 - 12:00 Liver metastasis: what the radiologist needs to know
Wolfgang Schima

12:00 - 12:30 Multimetric imaging of bone metastatic disease
Anwar Padhani

12:30 - 12:50 Opportunities and challenges of PET/MR in metastatic disease
Hersh Chandarana

11:00 - 11:30 Paediatric Tumours
Beth McCarville

11:00 - 11:20 MRI of fetal tumours
Gabriele Masselli

11:20 - 11:40 Tricky bone tumours
Anne Smets

11:40 - 12:00 Pancreatic tumours
Alex Towbin

12:00 - 12:20 Pitfalls in paediatric oncologic imaging
Kieran McHugh

12:20 - 12:40 Q&A

12:30 - 14:00 Lunch

13:30 - 14:00 Lunch Symposium 5

13:30 - 14:00 Lunch Symposium 6

14:00 - 14:15 What We Can Learn to Read Again
Stefan Diederich

14:00 - 14:20 Chest
Christian Hërdal

14:20 - 14:40 Liver
Wolfgang Schima

14:40 - 15:00 Pancreas
Jay Heiken

15:00 - 15:20 Female Pelvis
Andrea Rockall

15:20 - 15:30 Q&A

14:50 - 15:30 Kidney and Adrenal
Alberto Vargas & Harish Chandarana

14:50 - 15:00 Multimetric imaging of renal tumors
Hersh Chandarana

14:50 - 15:00 Linking the imaging features of renal disease and their impact on management strategies
Alberto Vargas

15:00 - 15:30 Imaging workup and management of adrenal incidentalomas
Khaled Elsayes

14:50 - 15:30 Contrast-Enhanced Ultrasound
Oliver Ludovrin

14:00 - 14:15 CEUS in paediatric oncology
Mirko D’Onofrio

14:15 - 14:30 CEUS of the pancreas
Dow-Mu Koh

14:30 - 15:00 CEUS in paediatric oncology
Evis Sala
