## 2010 Meeting Venue:

Royal College of Physicians of Edinburgh, 9 Queen Street, Edinburgh. EH2 1JQ U.K.

## Future Courses:

11th Annual Course, October 2011 – Denmark

12th Annual Course, October 2012 – UK

## Acknowledgement:

ICIS wish to thank the following companies who are supporting the 10th Society Meeting and Annual Teaching Course: Bayer Schering Pharma, Bracco, Guerbet, Nuada Specialist Imaging, Philips, Siemens.

## RENEW YOUR MEMBERSHIP or JOIN US NOW!

Society Journal – Cancer Imaging online @  
[www.cancerimaging.org](http://www.cancerimaging.org)

### Membership includes:

- Free subscription to the ICIS online journal Cancer Imaging ([www.cancerimaging.org](http://www.cancerimaging.org))
- E-mailed regular newsletters featuring high quality editorials from leading experts
- Discounts on registration for the annual teaching course

Membership is open to all individuals with an interest in cancer imaging for only £80 a year. Just tick the box on the registration and payment form, and include the fee of £80 with your payment. You will be contacted by e-mail with details of how to access all articles online in Cancer Imaging.

ICIS is a registered Company; registered in England & Wales. Registered No: 3908709.

International Cancer Imaging Society

# 10th Annual Teaching Course Edinburgh (UK)

## 4th – 6th October 2010

*To promote education and research in  
cancer imaging and to foster its role in the  
multidisciplinary management of malignancy*

**CALL for ABSTRACTS**  
**Deadline: 28th May 2010**  
**[www.icimagingociety.org.uk](http://www.icimagingociety.org.uk)**

Scientific Committee: Dr. Liliane Ollivier (France), Prof Dame Janet Husband (UK),  
Prof Alain Rahmouni (France), Prof Daniel Vanel (Italy),  
Prof Wolfgang Schima (Austria), Prof Vincent Chong (Singapore),  
Dr. Michael King (UK), Dr. John Spencer (UK)

For further information

Visit the Society website: [www.icimagingociety.org.uk](http://www.icimagingociety.org.uk)  
**or** contact ICIS Secretariat: [icis@bir.org.uk](mailto:icis@bir.org.uk)  
**or** Dr. Liliane Ollivier: [liliane.ollivier@curie.net](mailto:liliane.ollivier@curie.net)

# International Cancer Imaging Society

The Society was established in order to meet the important challenges of advancing imaging in the multidisciplinary management of cancer by promoting education in oncological imaging and stimulating research in the study of tumour behaviour.

The Society aims to bring together radiologists, nuclear medicine and other specialists with an interest in oncological imaging for the exchange of ideas and to organise scientific meetings, multicentre research studies, and postgraduate courses within the field.

For further information please visit the Society website:

[www.icimagingociety.org.uk](http://www.icimagingociety.org.uk)

## About the Course

The **tenth annual course of our Society** will focus on the clinical role of new imaging techniques in patients with cancer that will aid clinical decision-making and improve outcomes.

**Special focus sessions** will cover new approaches in breast cancer, head & neck cancer, thoracic, gynaecological, peritoneal and paediatric neoplasms. Structured reporting, and imaging for treatment and assessment of response will be discussed, with developments in diffusion and functional imaging highlighted.

**Keynote lectures** will be delivered on the use of molecular targeted agents in neuroendocrine malignancy, and an update on lung cancer staging related to the revised TNM classification.

A **Film Interpretation Session** with teams of recognised experts will offer insight into oncologic imaging and more ...

There will be **scientific sessions**, dedicated to proffered papers, which will present research in the field of imaging in oncology. There will also be poster sessions and the best overall paper and poster will be awarded a prize.

**Workshops** for smaller groups will focus on a variety of clinical topics. In addition, registrants will have the opportunity to gain practical skills at **"hands-on" workshops** dedicated to advanced prostate imaging, breast MRI and how to differentiate focal liver lesions.

This course is designed for all radiologists, nuclear medicine physicians and other specialists interested in the diagnosis and management of oncology.

The meeting will be held in Edinburgh, UK, allowing the ideal combination of education and social interaction. The conference venue will be the Royal College of Physicians of Edinburgh located in the heart of the city, close to the beautiful castle, within easy walking distance and close proximity to the attractions of the city centre.

A welcome reception will be held at the close of lectures on Monday, with the course dinner held in the stunning Great Hall of the RCPE on Tuesday.

# Registration and Information

| Registration Fees                 |  |       |
|-----------------------------------|--|-------|
| ICIS member per person            | (includes coffee/tea and lunch each day, plus Welcome Reception on Monday 4th October)   | £ 470 |
| Non-member per person             | (includes coffee/tea and lunch each day, plus Welcome Reception on Monday 4th October)   | £ 515 |
| Trainees/resident per person      | (includes coffee/tea and lunch each day, plus Welcome Reception on Monday 4th October)<br>With supporting letter from Head of Dept | £ 390 |
| Scientific/Poster presenter       | (includes coffee/tea and lunch each day, plus Welcome Reception on Monday 4th October)   | £ 250 |
| Course dinner per person          | At The Royal College of Physicians of Edinburgh  | £ 65  |
| Partners lunch package per person | (includes lunch each day, plus Welcome Reception on Monday 4th October)  | £ 90  |

Attendance on individual days may be booked on application to ICIS Secretariat

## How to register

Online: [www.icimagingociety.org.uk](http://www.icimagingociety.org.uk)

Fax: + 44 (0)20 7307 1414

Post: Louise Rusha, ICIS Secretariat, BIR Conference Office,  
36 Portland Place, London. W1B 1AT U.K.

**Please complete both sides of the registration, payment and workshop selection form and enclose with full payment.**

**Full payment must be received by 10th September 2010.**

## IMPORTANT INFORMATION

**Reservations will only be confirmed on receipt of the fully completed booking form and full payment. A confirmation letter and further details will be issued on receipt of full payment**

Reservations are subject to availability and will be confirmed within one week from receipt of completed booking form and full payment.

**Refunds** (minus an administration charge of £60) will only be made if written notification is received by 10th September 2010. Thereafter no refunds will be made.

**Travel information:** Edinburgh is easily accessible by air. The Royal College of Physicians of Edinburgh and hotels are conveniently reached by taxi from the airport within 20 minutes. Edinburgh also has excellent rail links with the rest of the UK. See ICIS website for more information.

**Accommodation:** Details of accommodation offering special rates for ICIS delegates are available on the ICIS website. All accommodation should be booked directly with your chosen hotel.

# Workshop Selection

Delegates are requested to choose their preferred workshops for each day; please indicate your first choice for each session.

Three "Hands-on" workshop sessions (Prostate; Breast MRI; Liver) will each be repeated on two occasions. Each "hands-on" session will last 1.5 hours and is limited to 15 participants. Priority for booking these sessions will initially be given to ICIS members. Those wishing to attend a "hands-on" session should indicate a 2nd choice of workshop where appropriate in case the "hands-on" session is fully booked.

## Monday 4th October (11.00 – 12.30)

HS1. Advanced prostate imaging – interpretation guidelines

## Monday 4th October (15.30 – 17.00)

HS2. Breast MR, with special focus on DW-MRI and DCE-MRI

## Monday 4th October (15.30 – 17.00)

1. Image-guided biopsy: how to do it? [Interactive]   
Role of imaging in robotic surgery: image-guidance in minimally-invasive surgery
2. MR cholangiography with hepatobiliary contrast agents   
Primary and secondary neoplasms of the spleen  
Pancreatic neuroendocrine tumours

## Tuesday 5th October (11.30 – 13.00)

HS3. Advanced prostate imaging – interpretation guidelines

## Tuesday 5th October (14.00 – 15.30)

HS4. Liver – how to differentiate focal lesions

## Tuesday 5th October (14.00 – 15.30)

3. The role of PET in evaluating skeletal metastases   
Molecular imaging in planning radionuclide therapy and radiotherapy  
Advances in radionuclide therapy
4. Contrast safety in cancer patients: CIN   
Primary bone tumours: radiohistological correlation  
Brachial plexus

## Wednesday 6th October (11.00 – 12.30)

HS5. Liver – how to differentiate focal lesions

## Wednesday 6th October (13.30 – 15.00)

HS6. Breast MR, with special focus on DW-MRI and DCE-MRI

Please tick this box if you **do not** wish to be contacted by post with other ICIS information and services, or other information related to cancer imaging.

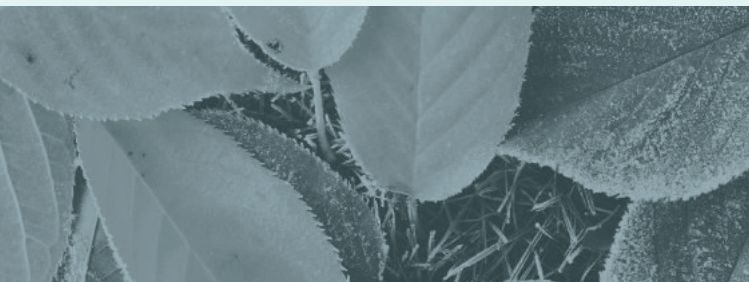

Please tick this box if you **do** wish to be contacted by e-mail with other ICIS information and services, or other information related to cancer imaging.

# Monday 4th October

|               |   |                                     |
|---------------|---|-------------------------------------|
| 08.45 – 09.00 | Welcome   | Liliane Ollivier                    |
| 09.00 – 10.30 | Gynaecological / peritoneal   | Chair: Michael King                 |
| 09.00 – 09.30 | Gynaecological masses: imaging and pathology [I]  | John Spencer                        |
| 09.30 – 10.00 | CT / MR / PET in peritoneal malignancy  | Rodney Reznick                      |
| 10.00 – 10.30 | Incidental pelvic lesions (ovary, uterus, nodes, vessels) in the oncology patient: Investigate, follow, ignore? [I] | Richard Gore                        |
| 10.30 – 11.00 | Coffee  |                                     |
| 11.00 – 12.30 | Paediatric  | Chair: David MacVicar               |
| 11.00 – 11.30 | Interventional radiology in paediatric oncology   | Derek Roebuck                       |
| 11.30 – 12.00 | Malignant pulmonary and mediastinal tumours in children: differential diagnoses                                     | Beth McCarville                     |
| 12.00 – 12.30 | Pitfalls in the diagnosis of paediatric tumours   | Kieran McHugh                       |
| 11.00 – 12.30 | Hands-on workshop: HS1  |                                     |
|               | Advanced prostate imaging – interpretation guidelines   | Anwar Padhani                       |
| 11.00 – 12.30 | Scientific Session 1  | Chair: John Spencer                 |
| 12.30 – 13.30 | Lunch   |                                     |
| 13.30 – 15.00 | New Approaches in Breast Cancer   | Chair: Liliane Ollivier             |
| 13.30 – 14.00 | New approaches to the management of early breast cancer   | Ian Smith                           |
| 14.00 – 14.30 | The use of MRI in BIRADS-3 classified lesions with mammography  | Matthijs Oudkerk                    |
| 14.30 – 15.00 | PET-CT in breast cancer   | Conor Collins                       |
| 15.00 – 15.30 | Tea   |                                     |
| 15.30 – 17.00 | Workshop 1: Interventional  | Chair: Derek Roebuck                |
| 15.30 – 16.15 | Image-guided biopsy: how to do it? [I]  | Stefan Diederich                    |
| 16.15 – 17.00 | Role of imaging in robotic surgery: image-guidance in minimally-invasive surgery                                    | Hans-Ulrich Kauczor                 |
| 15.30 – 17.00 | Workshop 2: Spleen / biliary / pancreas   | Chair: Jay Heiken                   |
| 15.30 – 16.00 | MR cholangiography with hepatobiliary contrast agents   | Andrea Giovagnoni                   |
| 16.00 – 16.30 | Primary and secondary neoplasms of the spleen   | Isaac Francis                       |
| 16.30 – 17.00 | Pancreatic neuroendocrine tumours   | Andrea Rockall                      |
| 15.30 – 17.00 | Hands-on workshop: HS2  |                                     |
| 15.30 – 17.00 | Breast MR, with special focus on DW-MRI and DCE- MRI  | Massimo Bellomi & Giuseppe Petralia |
| 17.30         | Welcome Reception   |                                     |

[I] – denotes interactive sessions

# Tuesday 5th October

|               |  |                              |
|---------------|--|------------------------------|
| 09.00 – 10.30 | Imaging for treatment and assessing response   | Chair: Rodney Reznick        |
| 09.00 – 09.30 | FDG-PET for evaluating tumour response: Clinical technique or research tool?                         | Ken Miles                    |
| 09.30 – 10.00 | Imaging for new radiotherapy techniques  | Heinz-Peter Schlemmer        |
| 10.00 – 10.30 | Imaging in clinical trials   | Dow-Mu Koh                   |
| 10.30 – 11.00 | Coffee   |                              |
| 11.00 – 11.30 | <b>Keynote Lecture</b>   | <b>Chair: Vincent Chong</b>  |
|               | Use of molecular targeted agents for the diagnosis, staging and therapy of neuroendocrine malignancy | Rodney Hicks                 |
| 11.30 – 13.00 | <b>Head &amp; Neck Neoplasms</b>   | <b>Chair: Sheila Rankin</b>  |
| 11.30 – 12.00 | Update on perineural infiltration  | Vincent Chong                |
| 12.00 – 12.30 | Neoplasms of the parapharyngeal space  | Robert Hermans               |
| 12.30 – 13.00 | Diffusion-weighted MRI: applications in head & neck radiology  | Harriet Thoeny               |
| 11.30 – 13.00 | <b>Hands-on workshop: HS3</b>  |                              |
|               | Advanced prostate imaging – interpretation guidelines  | Anwar Padhani                |

# Short Overview

**Venue:** Royal College of Physicians of Edinburgh, 9 Queen Street, Edinburgh. EH2 1JQ U.K.

**Date:** Monday 4th – Wednesday 6th October 2010

## 8 'Focus on' Sessions

- Gynaecological / peritoneal
- Paediatric
- New approaches in breast cancer
- Imaging for treatment and assessing response
- Head & neck neoplasms
- Structured reporting
- Thoracic
- Diffusion and functional imaging

## 10 Workshop sessions including "Hands-on" workshops:

- Intervention, spleen/biliary/pancreas, nuclear oncology, special focus topics, advanced prostate imaging, breast MR with focus on DW-MRI and DCE-MRI, differentiation of focal liver lesions

## 2 Keynote Lectures

- Use of molecular targeted agents for the diagnosis, staging and therapy of neuroendocrine malignancy
- Lung cancer staging update: the revised TNM classification

## Film Interpretation Session with two teams of experts

## Scientific Paper Sessions & Scientific Poster Exhibition

A prize for the best oral presentation and best poster will be awarded at the Course Dinner on Tuesday evening.

## Call for papers / posters

Submission of abstracts for scientific papers and posters are invited. Submission forms are available on the ICIS website: [www.icimagingociety.org.uk](http://www.icimagingociety.org.uk), or by application to the ICIS Secretariat (Tel: +44 (0)20 7307 1406; Fax: +44 (0)20 7307 1414; e-mail: [icis@bir.org.uk](mailto:icis@bir.org.uk))

## Submission deadline: 28th May 2010

Please submit your abstract (no more than 250 words) by e-mail to: [icis@bir.org.uk](mailto:icis@bir.org.uk)

Abstracts selected for presentation will be published in Cancer Imaging. Authors of selected abstracts will be notified after 30th June 2010.

## Accreditation

Royal College of Radiologists and European Accreditation Council for Continuing Medical Education (EACCME) accreditation has been applied for. A certificate of attendance will be issued to all participants.
