

International Cancer Imaging Society

Society Meeting & 13th Annual Teaching Course, York (UK)

*Advancing imaging in the multidisciplinary
management of cancer*

30th September – 2nd October 2013

www.visitork.com

Highlighting the role of imaging
in the multidisciplinary management
of oncology patients through:

- Practical problem solving
- Interactive teaching and active learning
- Illustration of novel imaging techniques
- Presentation of innovative research

CALL for ABSTRACTS
Deadline 24th May 2013
www.icimagingociety.org.uk

Programme Planning Committee: Leslie Quint, ICIS President (USA),
Anwar Padhani (UK), Heinz-Peter Schlemmer (DE),
Dow-Mu Koh (UK), Conor Collins (Ireland), Andrea Rockall (UK)

For further information

Visit the Society website: www.icimagingociety.org.uk
or contact ICIS Secretariat: admin@cancerimagingociety.org.uk

International Cancer Imaging Society

The Society was established in order to meet the important challenges of advancing imaging in the multidisciplinary management of cancer by promoting education in oncological imaging and stimulating research in the study of tumour behaviour.

The Society aims to bring together radiologists, nuclear medicine physicians and other specialists with an interest in oncological imaging for the exchange of ideas and to organise scientific meetings, multicentre research studies, and postgraduate courses within the field.

For further information please visit the Society website:

<http://www.icimatingsociety.org.uk>

About the Course

The 13th annual course of our Society will focus on practical problem solving in cancer patients through interactive teaching and the fostering of active learning. **State of the art and novel imaging techniques** will be highlighted.

A special plenary session by guest speakers from the Society of Computed Body Tomography and Magnetic Resonance will turn the spotlight on the use of **Dual Energy and Low Dose CT Techniques** in oncology patients.

Back by popular demand will be a session on **Cases We Would Like To Do Over**. Delegates will have the opportunity to learn about cases reviewed with the benefit of hindsight!

Small group sessions, interactive workshops, computer based hands-on workshops and **Meet the Teacher** appointments will be available for individualised learning.

There will be **scientific sessions**, dedicated to proffered papers, presenting research in the field of imaging in oncology. There will also be a **poster exhibition** and the best overall paper and poster will be awarded a prize.

This course is designed for all radiologists, nuclear medicine physicians and other specialists interested in the diagnosis and management of oncology.

The meeting will be held in York, UK, allowing the ideal combination of education and social interaction. The conference venue will be The Royal York Hotel, conveniently located by York train station, and within easy walking distance and close proximity to the attractions of the city centre.

A welcome reception will be held after the close of lectures on Monday at The Royal York Hotel, with the course dinner being held at The National Railway Museum on Tuesday.

Short Overview

Venue: The Royal York Hotel, Station Road, York, YO24 1AA, UK

Date: Monday 30th September – Wednesday 2nd October 2013

7 Plenary sessions:

- New clinical developments in oncology
- Dual energy and low dose CT techniques
- Contrast agent use in oncological imaging
- Incidental findings
- Cases we would like to do over
- Imaging after targeted therapies
- Assessing treatment response

8 Interactive workshop sessions:

- Multiple myeloma
- Head and neck tumours
- Pancreatic carcinoma: small lesions and mimics
- Gynaecological malignancies: adnexal mass characterisation
- Common to rare paediatric thoracic & abdominal tumours
- Structured reporting: gynaecology, PI- RADS and pancreas
- Lung nodules: management and biopsy techniques
- Diffusion weighted and diffusion tensor imaging in paediatric neuroimaging

4 Computer hands-on workshops:

- CT colonography (offered twice)
- Whole body diffusion MRI
- Advanced CT image processing – perfusion and texture

4 Scientific Paper Sessions & Scientific Poster Exhibition

A prize for the best oral presentation and best poster will be awarded at the course dinner on Tuesday evening.

Call for papers / posters

Submission of abstracts (no more than 250 words) for scientific papers and posters are invited. Submission is via the ICIS website: www.icimatingsociety.org.uk, or by application to the ICIS Secretariat (Tel: +44 (0)20 7036 8805 or e-mail: admin@cancerimatingsociety.org.uk)

Submission deadline: Friday 24th May 2013

Abstracts selected for presentation will be published in Cancer Imaging. Authors of selected abstracts will be notified after Monday 24th June 2013. It will be obligatory for all scientific presenters to be members of ICIS at the time of presentation in York. The annual membership fee of £80 will be added to the scientific presenters fee at registration if current membership is not in place. Membership will run for one year from date of registration; all standard member benefits will apply.

Accreditation

Royal College of Radiologists and European Accreditation Council for Continuing Medical Education (EACCME) accreditation has been applied for. A certificate of attendance will be issued to all participants.

Monday 30th September

09.00 – 9.10	Welcome	Leslie Quint
09.10 – 10.45	New Clinical Developments In Oncology	Chair: Heinz-Peter Schlemmer
09.10	Impact of multiparametric prostate imaging on robotic surgery	Giuseppe Petralia
09.25	Hybrid PET/MR	Heinz-Peter Schlemmer
09.40	Incorporating prognostic imaging biomarkers into clinical practice	Kenneth Miles
09.55	Whole body MRI	Anwar Padhani
10.10	Quantitative imaging for tumour assessment	Jonathan Goldin
10.30	Discussion	
10.45 – 11.15	Refreshment Break	
11.15 – 12.15	PARALLEL INTERACTIVE WORKSHOPS	
WS 1	Multiple Myeloma	Conor Collins & Heinz-Peter Schlemmer
WS 2	Head and Neck Tumours: Imaging issues	Harriet Thoeny & Vincent Chong
12.15 – 13.00	PARALLEL SCIENTIFIC SESSIONS 1 & 2	
11.15 – 13.00	COMPUTER HANDS-ON WORKSHOP HS1: CT Colonography	Olivier Lucidarme & Wolfgang Schima
13.00 – 14.00	Lunch	
14.00 – 15.30	SCBTMR Dual Energy and Low Dose CT Techniques	Chair: William Shuman
14.00	Low dose CT in adult oncologic imaging	William Shuman
14.25	Dual energy CT in adult oncologic imaging	Dennis Foley
14.50	Low dose and dual energy CT in paediatric oncologic imaging	Marilyn Siegel
15.15	Discussion	
15.30 – 16.00	Refreshment Break	
16.00 – 17.30	PARALLEL INTERACTIVE WORKSHOPS	
WS 3	Pancreatic Carcinoma: Small Lesions and Mimics	Isaac Francis & Giovanni Morana
WS 4	Gynaecological Malignancies: Adnexal Mass Characterisation	Anju Sahdev & Andrea Rockall
16.00 – 17.30	COMPUTER HANDS-ON WORKSHOP HS2: Whole Body Diffusion MRI	Anwar Padhani & Dow-Mu Koh
17.30	Welcome Reception at The Royal York Hotel	

Tuesday 1st October

09.00 – 09.10	Case of the Day	
09.10 – 10.45	Contrast Agent Use in Oncological Imaging	Chair: Beth McCarville
09.10	Ultrasound	Olivier Lucidarme
09.30	Minimising the risk of CIN	Jay Heiken
09.50	US contrast agents in children	Beth McCarville
10.10	MRI	Giovanni Morana
10.30	Discussion	
10.45 – 11.15	Refreshment Break	
11.15 – 12.15	PARALLEL INTERACTIVE WORKSHOPS	
WS 5	Common to Rare Paediatric Thoracic & Abdominal Tumours: Test Your Knowledge	Anne Smets & Beth McCarville
WS 6	Structured Reporting	Andrea Rockall, Jelle Barentsz & Isaac Francis
12.15 – 13.00	PARALLEL SCIENTIFIC SESSIONS 3 & 4	
11.15 – 13.00	COMPUTER HANDS-ON WORKSHOP HS3: CT Colonography	Olivier Lucidarme & Wolfgang Schima
13.00 – 14.00	Lunch	
14.00 – 15.30	Incidental Findings	Chair: Liliane Ollivier
14.00	Liver	Richard Gore
14.20	Pancreas	Jay Heiken
14.40	Kidney	Aslam Sohaib
15.00	Lung	Leslie Quint
15.20	Discussion	
15.30 – 16.00	Refreshment Break	
16.00 – 17.30	Cases We Would Like To Do Over...	Chair: Leslie Quint
		Wolfgang Schima
		Thierry Huisman
		Giovanni Morana
		Jay Heiken
		Stefan Diederich
		Andrea Rockall
		Dow-Mu Koh
19.00	Course Dinner at The National Railway Museum Presentation of prizes for scientific presentations and posters	

Wednesday 2nd October

09.00	Case of the day	
09.10 – 10.45	Imaging After Targeted Therapies	Chair: Anwar Padhani
09.10	Imaging challenges in immunotherapy trials	Jonathan Goldin
09.25	Bone metastases	Anwar Padhani
09.40	Metastatic renal cancer	Finn Rasmussen
09.55	GIST	Stefan Diederich
10.10	Complications	Nina Tunariu
10.30	Discussion	
10.45 – 11.15	Refreshment Break	
11.15 – 12.45	Assessing Treatment Response	Chair: Kenneth Miles
11.15	How to measure therapy response?	Markus Schwaiger
11.30	Predicting disease response	Kenneth Miles
11.45	When to resist using RECIST	Richard Gore
12.00	Perfusion CT and DW-MRI in oncologic response monitoring	Massimo Bellomi
12.15	DWI/DCE in gynaecological malignancies	Anju Sahdev
12.30	Discussion	
12.45 – 13.15	Oral poster session	
13.15 – 14.00	Lunch	
14.00 – 15.30	PARALLEL INTERACTIVE WORKSHOPS	
WS 7	Lung Nodules: Management and Biopsy Techniques	Stefan Diederich & Matthijs Oudkerk
WS 8	Diffusion Weighted and Diffusion Tensor Imaging in Paediatric Neuroimaging	Thierry Huisman
14.00 – 15.30	COMPUTER HANDS-ON WORKSHOP HS4: Advanced CT Image Processing – Perfusion and Texture	Kenneth Miles & Giuseppe Petralia

Workshop Preferences

Delegates are requested to indicate their preferred workshops for each day; please tick the appropriate box. Whilst we will endeavour to accommodate individual preferences, we are unable to guarantee your first choice.

"Hands-on" workshops will be limited to 30 participants with places allocated onsite on a first come, first served basis. ICIS reserves the right to restrict access to the hands-on workshops if maximum capacity is reached.

Monday 30th September (morning)		
WS1	Interactive workshop 1: Multiple Myeloma	
WS2	Interactive workshop 2: Head and Neck Tumours	
HS1	Computer hands-on workshop: CT Colonography	
Monday 30th September (afternoon)		
WS3	Interactive workshop 3: Pancreatic carcinoma	
WS4	Interactive workshop 4: Gynaecological malignancies	
HS2	Computer hands-on workshop: Whole body diffusion MRI	
Tuesday 1st October		
WS5	Interactive workshop 5: Paediatric tumours	
WS6	Interactive workshop 6: Structured reporting	
HS3	Computer hands-on workshop: CT Colonography	
Wednesday 2nd October		
WS7	Interactive workshop 7: Lung nodules: management and biopsy techniques	
WS8	Interactive workshop 8: Diffusion weighted and diffusion tensor imaging in paediatric neuroimaging	
HS4	Computer hands-on workshop: Advanced CT image processing	

How did you hear about our course?
(please specify particular journal or website)

Please tick this box if you **do not** wish to be contacted by e-mail with other ICIS information and services, or other information related to cancer imaging.

Registration and Information

Registration Fees:		
MEMBERS Per person	(includes coffee/tea and lunch each day with Welcome Reception on Monday 30th September)	3 days £500 2 days £380 1 day £195
Non-MEMBERS Per person	(includes coffee/tea and lunch each day with Welcome Reception on Monday 30th September)	3 days £550 2 days £410 1 day £220
Trainees/resident Per person	(includes coffee/tea and lunch each day with Welcome Reception on Monday 30th September) <i>With supporting letter from Head of Dept</i>	3 days £390 2 days £275 1 day £150
Scientific/Poster presenter	(includes coffee/tea and lunch each day with Welcome Reception on Monday 30th September) All scientific presenters are required to be a member of the Society. Membership to be paid with registration, in addition to registration fee.	3 days £325 Plus £80 membership if not already a member
Course dinner Per person	At the National Railway Museum	£65

How to register

Online: www.icimagingociety.org.uk

Post: Louise Mustoe, ICIS Secretariat,
45 Queen Anne Street, London, W1G 9JF U.K.

Please complete both sides of the registration and payment form, and workshop preferences, and enclose with full payment. Full payment must be received by 6th September 2013.

IMPORTANT INFORMATION

Reservations will only be confirmed on receipt of the fully completed registration form and full payment. A confirmation letter and further details will be issued on receipt of full payment.

Reservations are subject to availability and will be confirmed within one week from receipt of completed registration form and full payment.

Refunds (minus an administration charge of £70) will only be made if written notification is received by 6th September 2013. Thereafter no refunds will be made.

Travel information: York is easily accessible from London and Manchester airports, by rail and by road. See ICIS website for more information.

Accommodation: Details of accommodation offering special rates for ICIS delegates are available on the ICIS website. Delegates are responsible for making their own arrangements for accommodation and should book via the given web link.

Registration and Payment

How to register:

Online: www.icimatingsociety.org.uk

Post: Louise Mustoe, ICIS Secretariat,
45 Queen Anne Street, London, W1G 9JF U.K.

2013 Meeting Venue:

The Royal York Hotel, Station Road, York, YO241AA, UK.

Next year's course:

14th Annual Course, October 2014 – Heidelberg, Germany

Acknowledgement:

ICIS wish to thank the following companies who are supporting the 13th Society Meeting and Annual Teaching Course: Siemens and Philips.

Society Journal – Cancer Imaging

Read online @ www.cancerimaging.org

RENEW YOUR MEMBERSHIP or JOIN US NOW!

Membership includes:

- One year subscription to the ICIS online journal Cancer Imaging (www.cancerimaging.org)
- Discount on registration for ICIS teaching courses
- Regular e-mailed newsletters featuring the latest Society news and journal updates

Membership is open to all individuals with an interest in cancer imaging for only £80 a year.

Just tick the box on the registration and payment form, and include the fee of £80 with your payment.

You will be contacted by e-mail with details of how to access all articles online in Cancer Imaging.
