

## Workshop Preferences

Delegates are requested to indicate their preferred workshops for each day; please tick the appropriate box. Please note there are three parallel streams with a total of 12 interactive workshops and 6 computer hands-on workshops over 3 days. Workshops run in parallel, you will only be able to choose one in the morning and one in the afternoon. Whilst we will endeavour to accommodate individual preferences, we are unable to guarantee your first choice.

The computer hands-on workshops HS1 to HS6 are limited to 42 delegates\*. To ensure all delegates have an opportunity to attend a hands-on workshop please choose only one hands-on workshop from the 6 on offer.

<b>Monday 3<sup>rd</sup> October (Morning)</b>	
WS 1 - After Effects of Therapy	
WS 2 - Lung Cancer	
HS1* - Practical Image Processing for Cancer Diagnosis	
<b>Monday 3<sup>rd</sup> October (Afternoon)</b>	
WS 3 - Paediatric Oncologic Imaging	
WS 4 - Managing the Patient with Chronic Liver Disease	
HS 2* - Uterine Cancer	
<b>Tuesday 4<sup>th</sup> October (Morning)</b>	
WS 5 - Oncology Imaging Basics for the Trainee and Novice	
WS 6 - Lymphoma	
HS 3* - Lung Cancer Staging	
<b>Tuesday 4<sup>th</sup> October (Afternoon)</b>	
WS 7 - Pancreatic Tumours	
WS 8 - Tumours of the Head, Neck and Brain	
HS 4* - Breast Cancer Staging	
<b>Wednesday 5<sup>th</sup> October (Morning)</b>	
WS 9 - Cases I Would Like to Read Again	
WS 10 - Renal Tumours	
HS 5* - Whole Body MRI	
<b>Wednesday 5<sup>th</sup> October (Afternoon)</b>	
WS 11 - Mimickers of Malignancy	
WS 12 - Oligometastatic Disease in Prostate Cancer	
HS 6* - Ovarian Masses: Easy and Difficult Cases	

How did you hear about ICIS 2016?  
(Please specify particular journal or website)

Please tick this box if you do not wish to be contacted by e-mail with other ICIS information and services, or other information related to cancer imaging

## Faculty

### ICIS Fellows

Alexandra Athanasiou (Athens)  
Hersh Chandarana (New York)  
Conor Collins (Dublin)  
Stefan Diederich (Dusseldorf)  
Mirko D'Onofrio (Verona)  
Rosemarie Forstner (Salzburg)  
Isaac Francis (Ann Arbor)  
Bernhard Gebauer (Berlin)  
Richard Gore (Chicago)  
Jay Heiken (St Louis)  
Christian Herold (Vienna)  
Rod Hicks (Melbourne)  
Thierry Huisman (Baltimore)  
Janet Husband (London)  
Ann King (Hong Kong)  
Dow-Mu Koh (London)  
Jeong Min Lee (Seoul)  
Olivier Lucidarme (Paris)  
Marius Mayerhoefer (Vienna)  
Beth McCarville (Memphis)  
Kieran McHugh (London)

Theresa Mcloud (Boston)  
Gianni Morana (Treviso)  
Giovanni Morana (Genoa)  
Liliane Ollivier (Paris)  
Wim Oyen (London)

Andrea Rockall (London)  
Derek Roebuck (London)  
Anju Sahdev (London)  
Evis Sala (New York)  
Heinz-Peter Schlemmer (Heidelberg)  
Aslam Sohaib (London)  
Anne Smets (Amsterdam)  
Harriet Thoeny (Bern)  
Alex Towbin (Cincinnati)  
Alberto Vargas (New York)  
Sarah Vinnicombe (Dundee)

### Invited Faculty

Matthias Eiber (Munich)  
Kirk Frey (Ann Arbor)  
Jurgen Fütterer (Nijmegen)  
Carlos Galindo-Rodríguez (Memphis)  
Sue Kaste (Memphis)  
Vincent Khoo (London)  
Nick Reed (Glasgow)  
Rozemarijn Vliegenhart (Groningen)  
Victoria Warbey (London)

ICIS 2017 will be held in Berlin: 2<sup>nd</sup>-4<sup>th</sup> October 2017

Venue: Langenbeck Virchow Haus, Luisenster. 58/59, 10117, Berlin, Germany

Please check [www.icimatingsociety.org.uk](http://www.icimatingsociety.org.uk) for details.

### Acknowledgement

ICIS wish to thank the following companies who are supporting the 16th Society Meeting and Annual Teaching Course: Bracco, Guerbet, Mint Medical, Nuada Group, Philips and Siemens.

## Cancer Imaging: More Than Meets The Eye

### International Cancer Imaging Society Meeting & 16<sup>th</sup> Annual Teaching Course

3<sup>rd</sup>-5<sup>th</sup> October 2016  
Glasgow, UK

Highlighting the emerging role of quantitative and functional imaging and the multidisciplinary management of oncology patients through:

- Plenary sessions focusing on radiomics and molecular/functional imaging
- Interactive teaching sessions with audience participation
- Hands-on-workshops
- Practical problem solving
- Discussion of late effects of cancer therapy
- Tailored session for the trainee/novice
- Structured reporting in cancer imaging
- Presentation of innovative research

#### Programme Planning Committee:

Beth McCarville ICIS President (US), Stefan Diederich (DE), Dow-Mu Koh (UK), Olivier Lucidarme (FR), Andrea Rockall (UK), Heinz-Peter Schlemmer (DE)

#### Call for Abstracts:

Deadline 23<sup>rd</sup> May 2016 - [www.icimatingsociety.org.uk](http://www.icimatingsociety.org.uk)

#### For further information

Visit the Society website: [www.icimatingsociety.org.uk](http://www.icimatingsociety.org.uk)  
or contact ICIS Secretariat: [admin@cancerimatingsociety.org.uk](mailto:admin@cancerimatingsociety.org.uk)

ICIS is a registered Company; registered in England & Wales. Registered No: 3908709  
Registered Office: 41 Waddington Way, London SE19 3UB  
Registered as a Charity, No: 1082082

## International Cancer Imaging Society

The Society was established in order to meet the important challenges of advancing imaging in the multidisciplinary management of cancer by promoting education in oncological imaging and stimulating research in the study of tumour behaviour.

The Society aims to bring together radiologists, nuclear medicine physicians and other specialists with an interest in oncological imaging for the exchange of ideas and to organise scientific meetings, multicentre research studies, and postgraduate courses within the field.

For further information please visit the Society website:  
[icimagningsociety.org.uk](http://icimagningsociety.org.uk)

## About the Course

The 16<sup>th</sup> annual course of our Society will focus on practically orientated education of cancer imaging through interactive teaching and the fostering of active learning. State of the art and novel quantitative and functional imaging techniques will be highlighted.

**Special plenary sessions** give attention to the developing role of radiomics and state-of-the-art quantitative, functional and metabolic imaging techniques, including PET/MR.

**Keynote lectures** highlight the challenges of assessing response to immunotherapy and the role of international outreach in oncology.

Individual learning is emphasised by **small group sessions, interactive workshops and computer based hands-on workshops** fostering active participation.

A session entitled **cases we would like to read again** will present interesting oncologic cases reviewed with the benefit of hindsight.

There will be scientific sessions, dedicated to proffered papers, presenting research in the field of imaging in oncology. There will also be a poster exhibition and the best overall paper and poster will be awarded a cash prize.

This course is designed for all radiologists, nuclear medicine physicians and other specialists interested in the diagnosis and management of patients with cancer.

The meeting will be held in the Technology and Innovation Centre, Glasgow, Scotland.

Glasgow has been named one of the top 20 'Best of the World' destinations for 2016 by National Geographic Traveller, and has been voted the 'friendliest city in the world' in a Rough Guides poll. Expect to enjoy the warmest of Scottish welcomes, as well as Mackintosh's magical art nouveau architecture, vibrant nightlife with world-class restaurants, all against the backdrop of Scotland's uniquely rich cultural heritage.

Further afield, ancient castles, picture-postcard distilleries, tranquil lochs, outstanding golf courses and miles of unspoilt coastline are all just a short journey from the city centre.

There will be a welcome drinks reception hosted by The Rt Hon The Lord Provost of Glasgow on Monday 3<sup>rd</sup> October at the impressive City Chambers.

The course party will be held on Tuesday 4<sup>th</sup> October at the stunning Trades Hall of Glasgow, located in the city centre, just a short walk from the Technology and Innovation Centre.

## Registration and Information

### Registration Fees

<b>Members</b>	Includes coffee/tea and lunch each day and reception drinks on Monday	<b>3 days</b>	<b>£510</b>
<b>Per person</b>		<b>2 days</b>	<b>£388</b>
		<b>1 day</b>	<b>£199</b>
<b>Non-members</b>	Includes coffee/tea and lunch each day and reception drinks on Monday	<b>3 days</b>	<b>£566</b>
<b>Per person</b>		<b>2 days</b>	<b>£423</b>
		<b>1 day</b>	<b>£230</b>
<b>Trainees/ resident</b>	Includes coffee/tea and lunch each day and reception drinks on Monday	<b>3 days</b>	<b>£398</b>
<b>Per person</b>		<b>2 days</b>	<b>£280</b>
		<b>1 day</b>	<b>£153</b>
<i>With supporting letter from Head of Dept</i>			
<b>Scientific/Poster presenter</b>	Includes coffee/tea and lunch each day and reception drinks on Monday	<b>3 days</b>	<b>£320</b>
		<b>2 days</b>	<b>£220</b>
		<b>1 day</b>	<b>£115</b>
	All scientific presenters are required to be a member of the Society. Membership to be paid with registration, in addition to registration fee	<b>Plus £80 membership if not already a member</b>	
<b>Course party</b>	At the Trades Hall, Glasgow. Three-course dinner, drinks and live entertainment included		<b>£40</b>
<b>Per person</b>			

## How to register

**Online:** [www.icimagningsociety.org.uk](http://www.icimagningsociety.org.uk)

**Post:** Louise Mustoe, ICIS Secretariat, 45 Queen Anne Street, London, W1G 9JF U.K.

**Please complete both sides of the registration and payment form, and workshop preferences, and enclose with full payment. Registration cannot be confirmed until full payment has been received into the ICIS bank account. Full payment must be received by 5<sup>th</sup> September 2016.**

### Payment options

By Bank Transfer (BACS) to ICIS account

**Account Name:** International Cancer Imaging Society (ICIS)

**Account No:** 90164879

**Sort Code:** 20-69-15

**IBAN:** GB73 BARC 2069 1590 1648 79

**SWIFT:** BARCGB22

Reservations will only be confirmed on receipt of fully completed registration form & full payment.

Please indicate whether you or your guest have any dietary requirements

## 📄 Call for papers/posters

Submission of abstracts (no more than 250 words) for scientific papers and posters are invited.

**Submission is via the ICIS website:** [www.icimatingsociety.org.uk](http://www.icimatingsociety.org.uk)  
Queries may be addressed to the ICIS Secretariat  
**Tel:** +44 (0)20 7036 8805 or **Email:** [admin@cancerimatingsociety.org.uk](mailto:admin@cancerimatingsociety.org.uk)  
**Submission deadline: Monday 23<sup>rd</sup> May 2016**

Abstracts selected for presentation will be published in the Proceedings of the 16<sup>th</sup> International Cancer Imaging Society meeting, given to all delegates and faculty. A downloadable version of your submission will be made available to our membership on the members only area of our website. Authors of selected abstracts will be notified after Friday 17<sup>th</sup> June 2016.

It will be obligatory for all scientific presenters to be members of ICIS at the time of presentation in Glasgow. The annual membership fee of £80 will be added to the scientific presenters' fee at registration if current membership is not in place. Membership will run for one year from date of registration; all standard member benefits will apply.

## ✔ Accreditation

Royal College of Radiologists and European Accreditation Council for Continuing Medical Education (EACCME) accreditation have been applied for. You will be able to generate your own certificate of attendance once you have completed our daily online feedback form.

## ! Important Information

**Reservations will only be confirmed on receipt of the fully completed registration form and full payment. A confirmation letter and further details will be issued on receipt of full payment.**

Reservations are subject to availability and will be confirmed within one week from receipt of completed registration form and full payment.

### Refunds

Refunds (minus an administration charge of £70) will only be made if written notification is received by 9<sup>th</sup> September 2016. Thereafter no refunds will be made.

### Travel information

**Air:** Glasgow is served by two airports - Glasgow International (GLA) is the city's principal airport serving the major carriers, whilst Glasgow Prestwick (PIK) is the secondary airport serving low-cost airlines. Both airports are well linked to the city centre via bus or train. Please see the ICIS 2016 meeting pages on our website for more details.

**Rail:** Glasgow Central is the major mainline station, and is the terminus for all inter-city services between Glasgow and destinations in England.

### Accommodation

Details of accommodation offering special rates for ICIS delegates are available on the ICIS website. Delegates are responsible for making their own arrangements for accommodation and should book via the given web link. Please note Glasgow is a very busy and vibrant city, hotels book up months in advance. We strongly recommend you book early.

## 👥 Socials

A Welcome Reception will take place on Monday at 5:45pm; tickets are included in the registration fee. The civic reception will be hosted by The Rt Hon The Lord Provost of Glasgow in the Glasgow City Chambers. First opened by Queen Victoria in 1888, it boasts the largest marble

staircase in western Europe. This is a brilliant opportunity to unwind after the first day, while getting to know your fellow delegates and the ICIS faculty.

We hope you will join us on Tuesday 4<sup>th</sup> October for the opportunity to relax, network and have fun in the stunning Trades Hall. Often referred to as 'Glasgow's best kept secret', the building has a unique history with exceptional features and apart from the medieval cathedral, is the oldest building in Glasgow still used for its original purpose. Join us from 7.30pm for dinner followed by a traditional Scottish cèilidh led by a live band. Purchase your ticket while registering for the course on the ICIS website. Each ticket costs £40 which includes a three course dinner, half a bottle of wine and teas and coffees. As well as live entertainment we will have the awarding of cash prizes to our best posters and presenters. We hope to see you there!

## Society Journal

## Cancer Imaging

Cancer Imaging is our open access, peer reviewed journal with original articles as well as reviews and editorials. For full information about the journal, article submission and to read published articles, visit [cancerimagingjournal.biomedcentral.com](http://cancerimagingjournal.biomedcentral.com)

Tap into the most recent developments in all aspects of cancer imaging with the new **Cancer Imaging app**.

## 👥 ICIS Membership - Renew or join us now!

### Membership includes:

1. Discounted registration fees for the Annual Teaching Course & Interactive one-day workshops
2. Access to posters & selected lectures presented at the 2015 & 2016 Annual Teaching Courses
3. Members' Forum, providing a platform for you to discuss hot topics in oncological radiology or interesting cases, with other ICIS members and with the ICIS Fellowship
4. 15% discount on article-processing fees for our journal Cancer Imaging
5. E-mailed regular newsletters featuring the latest news from the Society and Journal
6. Save 20% on CRC Press radiology and oncology publications

Membership is open to all individuals with an interest in cancer imaging for only £80 a year. Just tick the box on the registration and payment form, and include the fee of £80 with your payment. You will make an immediate saving of £56 on the annual course; attend an ICISi workshop and you will save a further £45.

## ☰ Short Overview

### Venue

Technology and Innovation Centre (TIC) University of Strathclyde, 99 George St, Glasgow, Glasgow City G1 1RD

### Date

Monday 3<sup>rd</sup> - Wednesday 5<sup>th</sup> October 2016

### 5 Plenary sessions

- Cancer Imaging: More Than Meets the Eye
- The Role of Interventional Radiology in Oncology
- Implementing PET/MR in Clinical Practice
- Lifelong Learning in Oncologic Imaging
- Structured Reporting

### 2 Keynote lectures

- Immunotherapy: Imaging Challenges
- Towards the Cure of all Children with Cancer: Global Initiatives in Paediatric Oncology

### 12 Interactive workshop sessions

- After Effects of Therapy
- Lung Cancer
- Paediatric Oncological Imaging
- Managing the Patient with Chronic Liver Disease
- Oncology Imaging Basics for the Trainee and Novice
- Lymphoma
- Pancreatic Tumours
- Tumours of the Head, Neck and Brain
- Kidney Cancer
- Cases I Would Like to Read Again
- Mimickers of Malignancy
- Oligometastatic Disease in Prostate Cancer

### 6 Computer Hands-On Workshops

- Practical Imaging Processing for Cancer Diagnosis
- Uterine Cancer
- Lung Cancer Staging
- Breast Cancer Staging
- Whole Body MRI
- Ovarian Masses: Easy and Difficult Cases

### 4 Scientific Paper Sessions and Poster Exhibition

A cash prize for the best oral presentation and best poster will be awarded at the course party on Tuesday evening.

## Monday 3<sup>rd</sup> October 2016

TIME	SUBJECT	SPEAKER
08:45 - 09:00	Welcome and Presidential Address	Beth McCarville
09:00 - 10:30	<b>Cancer Imaging: More Than Meets the Eye</b>	<b>Janet Husband</b>
09:00 - 09:30	Tumour Biology and Multiparametric Imaging	Anwar Padhani
09:30 - 10:00	Tumour Heterogeneity: What Does it Mean?	Dow-Mu Koh
10:00 - 10:30	Oncogenetic Intratumour Variability Translated to Imaging: Radiomics and Radiogenomics	Evis Sala
10:30 - 11:00	Refreshment Break	
11:00 - 12:30	Parallel Interactive Sessions	
<b>WS 1</b>	<b>After Effects of Therapy</b>	<b>Conor Collins</b>
11:00 - 11:30	Skeletal Squealae in Adult Survivors of Childhood Cancer	Sue Kaste
11:30 - 12:00	Locoregional Effects of Breast Cancer Treatment	Sarah Vinnicombe
12:00 - 12:30	Imaging of Cancer Therapy-Induced CNS Toxicity	Giovanni Morana
<b>WS 2</b>	<b>Lung Cancer</b>	<b>Theresa McLoud</b>
11:00 - 11:20	Screening for Lung Cancer	Christian Herold
11:20 - 11:40	Risk Stratification of Lung Nodules	Theresa McLoud
11:40 - 12:00	PET Imaging of Pulmonary Nodules	Kirk Frey
12:00 - 12:35	Scientific Presentation 1	
11:00 - 12:30	<b>Hands-on-Workshop 1</b>	
<b>HS 1</b>	<b>Practical Image Processing for Cancer Diagnosis</b>	<b>Anwar Padhani and Dow-Mu Koh</b>
