International Cancer Imaging Society

Masterclass in Imaging of Gynaecological Cancers

Course Organiser: Dr. Aslam Sohaib

28th February 2013

Euston House, 24 Eversholt Street
London, NW1 1AD

(Opposite Euston Station)

Faculty

Prof. Rosemarie Forstner (Austria), Dr. Audrey Jacques (UK)
Prof. Andrea Rockall (UK), Dr. Aslam Sohaib (UK)

This one-day teaching course will be limited to 36 participants, **each with their own imaging workstation** and content delivered through lectures and hands-on case-based learning. The course will highlight current imaging techniques, image interpretation, and pitfalls in imaging ovarian, cervical, and endometrial malignancies.

Register today at www.icimatingsociety.org.uk
ICIS members £275; non-members £305
