

# Masterclass in Imaging of Prostate Cancer

Thursday 21<sup>st</sup> January 2016  
or Friday 22<sup>nd</sup> January 2016

Euston House, 24 Eversholt Street, London, NW1 1AD  
Opposite Euston Station

**M**asterclass in Imaging of Prostate Cancer is a one-day teaching course in the highly commended ICIS interactive series, which will review PI-RADS interpretative guidelines for multiparametric prostate MRI for disease detection. The roles for multiparametric prostate MRI in the management of low- to high-risk prostate cancer will be highlighted.

The course is limited to 40 participants, split between two parallel workshops running concurrently. Each of the four 1.5 hour sessions will commence with a short lecture followed by mentored review of carefully selected cases on individual workstations. A comprehensive workbook is provided to enhance learning.

The faculty comprises four experts in prostate imaging who will each focus on a particular aspect to provide practical and relevant information on prostate imaging. This includes the use of multiparametric MRI for diagnosis and characterisation of prostate cancer, active surveillance for low-risk disease, imaging in intermediate/high-risk disease, and the new PIRADS interpretative guidelines.

This course has been awarded 6 CPD points by the Royal College of Radiologists. A certificate of attendance will be given to all participants.

We gratefully acknowledge the support of Guerbet and MeVis for this course.

### **Course Organisers**

Prof. Anwar Padhani, Prof. Heinz-Peter Schlemmer

### **Faculty**

Dr. Jurgen Futterer (Nijmegen), Prof. Anwar Padhani (London),  
Dr. Giuseppe Petralia (Milan), Prof. Heinz-Peter Schlemmer (Heidelberg)

### **Series Organiser**

Prof. Dow-Mu Koh

## ☰ Course Programme

---

<b>08:45</b>	<b>Registration</b>
<b>09:10</b>	<b>Welcome</b>
<b>09:20</b>	<b>Session 1</b> Room A: Diagnosis and characterisation using mpMRI* Room B: PIRADS interpretation: How to do it
<b>10:50</b>	<b>Break</b>
<b>11:10</b>	<b>Session 2</b> Room A: PIRADS interpretation: How to do it Room B: Diagnosis and characterisation using mpMRI*
<b>12:40</b>	<b>Lunch</b>
<b>13:40</b>	<b>Session 3</b> Room A: mpMRI in active surveillance Room B: mpMRI in intermediate & high risk disease
<b>15:10</b>	<b>Break</b>
<b>15:30</b>	<b>Session 4</b> Room A: mpMRI in intermediate & high risk disease Room B: mpMRI in active surveillance
<b>17:00</b>	<b>Close</b>

---

\* mpMRI = multiparametric MRI

## ! Important information

Reservations will only be confirmed on receipt of the fully completed booking form and full payment. A confirmation letter will be issued on receipt of full payment. Reservations are subject to availability and will be confirmed within one week from receipt of completed booking form and full payment.

Refunds (minus an administration charge of £65) will only be made if written notification is received by Saturday 12<sup>th</sup> December 2015. Thereafter no refunds will be made.

### Travel Information

Euston House is located opposite Euston Station, and close to St. Pancras International and King's Cross Stations. All these stations are served by mainline and underground services.

### Accommodation

Delegates to Euston House (part of Learning Tree International) are offered preferential rates at a range of nearby hotels. Please see ICIS website for further details and book direct via Insight using a downloadable form.

## Registration Details

### Registration Fees

ICIS members  
(includes coffee/tea & lunch):  
£295 per person

Non-members  
(includes coffee/tea & lunch):  
£340 per person

### How to Register

Register online here.

Or download form & post to:  
Louise Mustoe, ICIS Secretariat,  
45 Queen Anne Street, London,  
W1G 9JF

Please complete all registration  
details and indicate payment  
option. Full payment must  
be received by Saturday 12<sup>th</sup>  
December 2015.

### ICIS Membership

ICIS membership is open to all  
individuals with an interest in  
cancer imaging for only £80  
per year. Join ICIS today  
and benefit from reduced  
registration fees at ICIS  
teaching courses. Other  
membership benefits include:

- Members' only area with  
posters & lectures presented  
at the Annual Teaching Course
- Members' forum where you can  
ask questions to our experts
- 15% discount on article-  
processing fees for our  
journal Cancer Imaging
- 20% discount from CRC Press
- Regular emailed newsletters  
featuring the latest Society  
news and journal updates.
